EXPERIENCE

An Eldritch Abomination INDUSTRIAL POP

- Combines softly pitch modulated synth melodies with unrelenting and aggressive drums to explore themes of toxic masculinity, the mundanity of mirrored behaviour, code switching and individuality through a lens of hypnagogic haze.

Teletext Records FOUNDER / EVENTS ORGANISER

- Independent marketing, promotion and management collective - operating as a centralised booking and scheduling point for acts, and also acting as producer for any of the more ambitious ventures that our acts have in mind. Also regular promoters of non-affiliate artists looking to perform in Cork City

Aerialist FOUR PIECE POST ROCK BAND

- Aimed with transporting venues to entirely new and imaginary scapes through employing a combination of odd time signatures, layered guitars, crescendos and a hazy atmosphere.
